

# HELP WANTED

## TOWN MAINTENANCE WORKER

The Town of Beaver is looking for a reliable, hardworking person to help keep our roads and public spaces in good condition. This position is full time with flexible hours. Nights and weekends may be required during weather events.

Duties include road maintenance, snowplowing, equipment operation, general repairs, and other tasks needed to keep the town running smoothly throughout the year.

The ideal candidate will:

- Have a valid driver's license with Class A or B CDL with air brake endorsement
- Be able to safely operate and maintain equipment
- Enjoy working outdoors in all seasons
- Be dependable, self-motivated, and willing to lend a hand where needed
- Have mechanical or maintenance experience (preferred but not required)
- Live within the Town of Beaver or within 25 miles of the Town.

Starting wage of \$30 per hour for qualified candidates, with compensation based on qualifications and experience. Benefits negotiable

Must be able to pass required physical and random alcohol/drug testing.

Send resume or letter of qualifications to:
