Exciting Opportunities Available at Northwood Tech

Health Education Center Simulation Specialist

Shell Lake Health Education Center (FT)

This position is responsible for the daily technical operations for simulations and Telehealth at the Health Education Center. The Technician maintains simulators and support equipment, troubleshoots problems with simulators and support systems, and performs preventative maintenance and repair of simulators and related technology in the Simulation, Standardized Patient, and Telehealth environment. We invite you to apply today!

College Health Nurse

New Richmond Campus (FT)

Bring your nursing skills to a role that supports student success at Northwood Technical College! As our College Health Nurse, you'll help students address health-related concerns that may affect their learning, connect individuals with resources, and promote informed decisions about their health and well-being. This full-time, benefit-eligible position works 1,149 hours per year, generally Monday–Thursday, 8:00 a.m.–3:30 p.m. during the academic year, with time away during the summer. Apply today!
